

20 Golden Words of Wisdom and Appreciation for Judges

ABDURAHMAN SEID

⌘ Never forget — your robe
is not a symbol of power,
but of responsibility. The
scales in your hands weigh
human lives, not mere
cases.

1. Uphold Justice Above All Else

⌘ Every silent victim and
unseen truth depends on
your courage to listen
beyond what is said.

2. Be the Voice of the Voiceless

✂ In a world that can be
swayed by influence, your
incorruptible conscience is
your greatest strength.

4. Patience Is a Judge's Greatest Virtue

& Long after your verdict is
forgotten, its ripple in
justice and humanity
remains.

5. Every Decision Writes History

& In your courtroom, all
must feel seen, heard, and
respected — whether rich
or poor, guilty or innocent.

6. Treat Every Person with Dignity

&Justice often stands alone
until a judge gives it a
voice. Be that voice,
unwavering and clear.

7. Truth Needs a Brave Guardian

& The right decision may not
always be the celebrated
one — but it will always
stand the test of time.

8. Do Not Fear Being Unpopular

codes, but its spirit lives
through your wisdom and
compassion.

9. Your Judgment Shapes Society's Soul

& Behind every case number
lies a beating heart, a
broken story, a plea for
fairness.

10. Remember the Human Behind Every File

Justice without compassion
becomes cruelty; mercy
without reason becomes
chaos. Your duty is to hold
both in harmony.

11. Balance Mercy with the Rule of Law

& True honor is not in public
praise but in private
integrity — in what you do
when no one is watching.

12. Lead by Example, Even When Unseen

& When pressure mounts
and truth trembles, it is
courage that keeps justice
alive.

13. Courage Is the Soul of Judgment

& The law evolves, society changes, and wisdom deepens. Keep learning — justice grows with knowledge.

14. Stay a Lifelong Student of the Law

& The greatest compliment a
judge can earn is not
“powerful” or “famous,”
but “fair.”

15. Let Fairness Be Your Legacy

⌘ Each sentence you utter
can heal or harm. Speak
with thought, decide with
grace.

16. Your Words Carry the Weight of Nations

& The harder path is often
the just one. Choose it —
even when it costs you
comfort.

17. Resist the Temptation of Ease

& The highest purpose of
judicial power is to shield
the powerless from
oppression.

18. Protect the Weak from the Strong

⌘ To judge is to act as the
guardian of natural order
— a role requiring
humility, reverence, and
faith in humanity.

19. Your Role Is Sacred, Not Just Legal

& In every society, the judge is
the mirror of its conscience.

Thank you for standing
firm, fair, and fearless in the
service of truth.
